HEAD TEACHER'S MESSAGE

As the weather gets colder and we move into one of the most important times in the Christian calendar, we celebrate the vibrant atmosphere of teaching and learning, at St Matthew's.

We have a virtual open door policy, so parents do feel free to call or email, if you need anything. I also ask that you continue to pray for our teachers, as we strive to deliver the very best education for your children.

CHILDREN IN NEED DAY

On Friday 13th November, St Matthew's school was awash with colours and spots, as we celebrated Children in Need Day 2020.

The House Captains made sure that everyone paid £1, to wear their own clothes, sold Pudsey merchandise and set up a fantastic TASTY TREATS tuck shop.

St Matthew's School, under the leadership of our House Captains were able to raise a staggering **£359.90** .

Thank you to everyone who gave.

World Children's Day was first established in 1954, as the Universal Children's Day and is celebrated on 20th November each year, to promote international togetherness, awareness among children worldwide, and improve children's welfare.

November 20th is an important date, as it is the day in 1959 when the United Nations (UN) General Assembly adopted the Declaration of the Rights of the Child. It is also the date in 1989, when the UN General Assembly adopted the Convention on the Rights of the Child.

World Children's Day offers each of us an inspirational entry-point to advocate, promote and celebrate children's rights, start conversation and actions that will build a better world for children, so happy World Children's Day and remember, you are the:

"Children of today, our keepers of tomorrow".
