

# Training and events 2020

**St. Matthew's Teaching and Research School** are proud to offer a broad range of school-led support for evidence-based practice. Our forthcoming events include:

## Spotlight on Reading

**Half day: 8.45am - 12.00 noon**

An opportunity to observe the practical application of research to the teaching of reading, at St Matthew's. Visit classrooms, look at children's work and discuss the approaches we use with teachers and senior leaders.

Friday, 20<sup>th</sup> March

£80 per delegate

## Talk for Writing Project 2020

**Senior Leaders meeting: 1.30 - 3.00pm**

Explore the principles behind embedding the Talk for Writing process successfully over time and across the curriculum. Meet experienced Talk for Writing consultant, Dean Thompson, and find out about our Talk for Writing project 2020-2022 for schools.

Friday, 20<sup>th</sup> March

FREE EVENT

## Metacognition and Self-regulation

**One day: 9.00am – 3.30pm**

Metacognition and self-regulation approaches have consistently high levels of impact. Find out how to use the evidence to make a lasting impact in your school.

Thursday, 2<sup>nd</sup> April

£95 per delegate

## Unlocking School Improvement through Curriculum Development

**One day: 9.00am – 3.30pm**

How can we use the curriculum as a lever for effective school improvement? Building on the most robust research, this course will explore strategies and solutions to this question and provide guidance on planning and implementing changes for sustained impact across the curriculum.

Monday, 29<sup>th</sup> June

£95 per delegate

To book places, email [smts@st-matthews.bham.sch.uk](mailto:smts@st-matthews.bham.sch.uk)  
or telephone our Research School on 0121 3591602

All courses will take place at St. Matthew's C.E. Primary School, Birmingham B7 4JR
